 _____ Chief Executive / Executive Director / Manager of the
 Company, declare that we have voluntarily joined the Child Labour Elimination
 Programme, since _____. In order to fulfill the obligations of the programme,
 we, hereby, undertake to do the following:

- I. Carry out all the stitching activities of hand stitched balls without having any regard to the size, kind, quality, stitching prices etc. of such balls, at the monitorable places accessible to the SGFI monitors;
- II. Print the I.D. Code issued by the SGFI on the specific panel of all hand stitched balls without any discrimination of size, kind, quality or price of the ball;
- III. Our company will not involve in any counterfeiting activities in any form. If there will be any such objective evidence provided to SGFI through any source, we shall have no objection on the cancellation of our membership from the Child Labour Elimination Programme, after proper verification.
- IV. Reveal all the information of any stitching activities belonging to the company either of sample balls, repair balls, stitching center/sub-contractors/stitchers on trial, to the SGFI Management.
- V. Set up an effective and vigilant internal monitoring structure within the company manned with appropriately qualified personnel;
- VI. Through internal monitoring ensure that no stitching activity takes place at any place not registered with the SGFI ;
- VII. Ensure that in no way children under the age of 14 years are engaged/involved in any kind of paid or unpaid work either on full time or part time basis;
- VIII. Keep SGFI Management informed on regular basis of changes in the production volumes, changes in the stitching activities/strength at stitching centers;
- IX. Respond promptly to any enquiry from SGFI especially about the stitching activities at unregistered places or incidence of child labour etc;
- X. Keep an attendance register and record of flow of merchandise at all the stitching centers.

- XI. Cooperate with SGFI monitors or any other SGFI official designated for the purpose, at all times, on the issues related to the child labour elimination programme;
- XII. To keep the programme running, regularly contribute to SGFI @ 0.10 % of FOB per ball exported every month or any other rate decided by the SGFI from time to time;
- XIII. Cooperate with the agency designated as successor agency for external monitoring;
- XIV. Abide by all the provisions to ensure the implementation of the programme decided by the SGFI independently or jointly by the project partners;
