

ON MEMBER'S LETTERHEAD

UNDERTAKING FOR CONTRACTOR.

1. The football stitching contractor will maintain a list showing clear, locatable addresses of ALL stitching locations (both registered and unregistered) where he gets the balls stitched.
2. The football stitching contractor will maintain a list showing names, with age and sex of each stitcher working at above addresses. This list to be provided to SGFI or available to authorised SGFI member on request.
3. The football stitching contractor will update lists of his workers within two (2) days (or weekly) of any change therein and advise the factory.
4. The football stitching contractor will ensure that in no case, any child below the age of fourteen (14 years) is employed, directly or indirectly, in the football stitching process. (This will be taken as a case of child labour) . If any child is found involved, the factory will have a meeting with contractor, any Sub contractor and stitching child/ family , in the SGFI office for counselling. In any case of child labour a first and final warning will be given. If this case re-appears, the contractor will be barred from getting work from any SGFI member. This clause applies to both, registered as well as unregistered locations.
5. The football stitching contractor will not object to survey of his locations by SGFI team of inspectors or the inspector from the factory for whom he is getting the balls stitched.
